Hugh Ballou, Transformational Leadership Strategist

Short Bio

Hugh Ballou teaches leaders around the globe how to build synergy with teams and how to build effective processes that bring success to any organization – no matter how big or how small. He brings a wealth of experience as a prominent conductor of musical ensembles to his innovative leadership approach.

He is author of 5 books on Transformational Leadership and works as executive coach, process facilitator, and strategist. As a powerful motivational speaker, he teaches the fine art of leadership employed every day by musical conductors.
